

Does This Prove It?

EVERY DAY OF THE WEEK there are nine dollars in bank checks used to every dollar of actual cash that changes hands.

The reason for this is not hard to find.

When bank checks are used they represent money that remains safely in the bank. The risk is eliminated. Checks are also far more convenient and business-like. Every cancelled check is a valuable record of the transaction—a perfect receipt for payment and proof in case any question ever comes up concerning it.

The checking system is most popular because it is the best method ever devised for handling money.

Don't be satisfied with bad business methods.

Come in and talk it over.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Morrisville People Know How to Save It.

Many Morrisville people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here's is a Morrisville citizen's recommendation:

L. R. Page, Maple St., says: "I have used Doan's Kidney Pills and they gave me excellent results. When I used them my back and kidneys were bothering me, and I was all out of sorts. I had heard of Doan's Kidney Pills and got a box at Cheney's Drug Store. In a short while they fixed me up and I am glad to recommend Doan's."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Page had. Foster-Milburn Co., Buffalo, N. Y.
